

JUNE 2022 SPECIAL NEWSLETTER

Good morning all,

- The Midcoast Council of Governments will hold its semi-annual General Assembly meeting at the Waldoboro Town Hall on June 23, 2022 at 10:30am. A zoom invite for those interested in attending remotely will be provided prior to the meeting, along with the agenda.
- Knox-Lincoln Soil & Water Conservation District and Maine DEP are partnering to host an in-person training in Basic Sediment and Erosion Control Practices Certification for Contractors on Thursday, June 23, 2022 at the Camden Opera House. The course will cover best management practices, applicable regulations and standards for projects, such as shoreline riprap and culverts, and natural resource impacts. It will also discuss vegetated buffers, erosion control planning and the permitting and planning process. The all-day training will be held from 8:00 a.m. to 4:30 p.m. and includes morning refreshments and lunch. Pre-registration with payment is required by Friday, June 17 (\$95 mail-in registration / \$97 online registration). Registration and more information can be accessed [here](#).

We would also like to remind everyone to stay vigilant with scam emails going around. We have received one in office asking to change direct deposit information for a staff member. Please see below:

Subject: NRXT PROCESS

Hi There,
What do I need to change my direct deposit? I have a voided check already, is that enough?
Kindly let me know what to do.
Thanks,

Orion Thomas.

Best,
The MCOG Team
